## Democratic Meeting.

The Democratic Association of the First and Second Wards will meet on Friday night at Schwind's Exchange, on Jefferson, between Hancock and Clay streets. A general attendance is requested.

THEATER.—It good audiences and enthusiastic applause are criterions of excellence, the troupe now performing are very good. The immense difference between the audiences they have had, and those which attended the Martinetti troupe, usually considered one of the best, but by an oversight, it only makes the stockholders liable to the amount of the stock they may hold.

## Financial.

There is an improvement in monetary affairs here with the commencement of the fall trade.—Money is plenty. The Bank of America and Southern Bank of Tennessee have, of course, been thrown out for the present. Other Tennessee banks we quote at 5%; Indiana free banks 3%, and Illinois 1 percent.

At a meeting of the board of directors of the Northern Bank of Kentucky, in Lexington, on Tuesday, Madison C. Johnson, Esq., was unanimously elected permanent President of the institution, to supply the vacancy created by the lamented death of Matthew T. Scott, Esq. The appointment is, in every respect, a most judicious one, and will meet the hearty approval of all who look to the successful management of the institution as to the prosperity of the people.

Isaac W. Scott, Esq., has been elected a director in the Northern Bank of Kentucky, at Lexington, in place of his father, Matthew T. Scott, Esq., deceased.

THE TENNESSEE BANK TROUBLES.—The Nashville Banner says the Bank of America for two months past has stood the heaviest ran ever made in a bank in the State. The old banks have thrown out the notes of this and the Southern Bank of Tennessee, while the Merchants' Bank, Traders' Bank, and A. Whetstone & Co., continue to receive the Bank of America at par. The circulation of the Southern Bank is said to be not over \$5,000, and it has State bonds to the amount of \$55,000. The run was probably made by depositors. The Nashville Union does not regard the aspect so favorably as the above, which we condemn from the Banner.

The notes of the Southern Bank of Tennessee, at Memphis, and the Bank of America were thrown out by the banks in the State in a note.

This was the result of a telegraphic dispatch received from Memphis announcing the suspension of the former and that the latter had been thrown out. A heavy run has been made upon the notes of the Southern Bank for two months past, and we fear it has been seriously damaged by that run, and we shall not be surprised to hear that it too has been suspended—failed—it is to be hoped that it will not be long before the stock is suspended again. My advice upon the present is to obtain as valuable a run as I can, and to be assured of the securities of America, that the Oriental Life Company is the best known remedy for King Coal, India Sores, and Royal Head; and out of the Orient, the best known remedy for the Latin language, or either of these branches. 73. N. A. A deduction of \$8 per session will be made in favor of the student, and the amount of \$200, and \$20 in favor of those who will furnish their own stationery.

THE fall trade is fast approaching, and we take pleasure in announcing ourselves in readiness to supply the wants of our customers and all others who may favor us with a call. We have at present in store a most complete assortment of every variety of dress goods, including all the changes and beauties of which the market can supply, such as Double-skirted Silks, Two-flounced and Side-striped Silks, Robes A'Quille in Silk and Deltaine, Printed Delaines, and Robe Aramis do, Cashmere and Royal Silks, new style Lettuce, Demi-circles Veils, blue dotted Net for Veils, Valenciennes in Bayaderie Stripe, Bacon's Kid Gloves, French Chintz Calico, and a complete assortment of white and domestic goods of every kind, all of which will be sold at the lowest market price.
